Proposed Amendments TO THE CONSTITUTION OF MISSOURI.

FIRST CONSTITUTIONAL AMENDMENT.
CONCURRENCE RESOLUTION submitting to the qualified voters of Missouri an amendment to the constitution thereof, providing for the removal of the seat of government from the city of Jefferson to the city of Sedalia.

Be it resolved by the House of Representatives, the Senate concurring therein, as follows:
At the general election to be held on the Tuesday next following the first Monday in November, A. D. 1896, an amendment to the constitution of Missouri shall be submitted to the qualified voters of the State, in the following words:

The seat of government shall be removed from the city of Jefferson and located at the city of Sedalia. Any person or persons may grant and donate to the State any land, money or other thing of value to be used for the purpose of erecting the necessary public buildings at the city of Sedalia, or may deposit with the governor sufficient securities or obligations to guarantee the erection of such buildings.

Whenever a suitable capitol building, having the same or greater floor area and appointments as the present capitol and supreme court building, and equal thereto in stability and architectural merit, together with grounds of the same or greater size and an armory building likewise similar or superior to the present armory, and an executive mansion likewise similar or superior to the present executive mansion, shall be erected at the city of Sedalia, the same shall be accepted by a commission consisting of the governor, secretary of state, auditor, treasurer and attorney general, and such officers shall at once remove the public records and personal property to such new public buildings, and the city of Sedalia shall thereupon become the permanent seat of government. The plans and location of the capitol, armory and executive mansion and grounds shall first be approved by such commission. The county of Sedalia and Sedalia township, in said county, may each vote an issue of 5-25, non-taxable 3 per cent bonds, not to exceed in amount respectively for each, \$100,000, and such bonds may be ordered issued by a majority vote of the voters at a special election called for that purpose by the county court, and conducted generally in the manner provided by law for the issuing of bonds for the erection of court houses. Said county and township bonds shall be given to the state for the purpose of assisting in paying for the erection of the buildings provided for herein; and such bonds, if voted, shall be delivered to the governor of the state, and held by him in trust for the benefit of any person or persons who may erect such suitable public buildings to be given to such person or persons on their completion and acceptance.

The commission hereby constituted shall have full power by a majority vote to carry out the provisions and intent of this amendment, and such new public buildings shall be completed, as near as may be possible, on or before the first day of January, A. D. 1898, unless such commission good cause grant further time.

The state shall in no manner become liable for, nor be at no expense whatever of the cost of the new public buildings herein provided for, and the same shall be erected and completed before the first day of January, A. D. 1898, and the entire cost of moving the records and personal property of the state to the new public buildings, so that they shall be at no expense whatever in the change of the seat of government.

SECOND CONSTITUTIONAL AMENDMENT.
CONCURRENCE RESOLUTION submitting to the qualified voters of Missouri an amendment to the constitution thereof, concerning the jurisdiction of the courts of appeals.

Be it resolved by the Senate, the House of Representatives concurring therein:
That at the general election to be held on the Tuesday next following the first Monday in November, 1896, the following amendment to the constitution of the state of Missouri, concerning the judicial department, shall be submitted to the qualified voters of said state, to-wit:

SECTION 1. The power of the supreme court, except as hereinafter provided, and of the courts of appeals, to issue original remedial writs, shall be confined to cases lying within the appellate jurisdiction of said courts.

SEC. 2. The meaning of the terms used in section 12, article 6 of the constitution are hereby defined as follows: By amount in dispute means the money value of the real dispute at the date of the judgment appealed from, and the courts shall look into the entire record for the purpose of ascertaining such value.

Cases involving the construction of the revenue laws of this state are cases only wherein either party in the trial court claims some right under a construction of such laws, which construction his adversary denies to be the true construction by some pleading of instruction.

The title to any office under this state means only that of an officer whose duties are co-extensive with the state, or who is required by law to be commissioned by the governor; and no one is a state officer who does not answer this description.

A county or other political subdivision of a state includes only counties and cities exercising the functions of a county, but no minor subdivisions.

Cases involving title to real estate are cases only wherein the decree or judgment rendered affects directly the title of the appellant to certain real estate, and actions of ejectment.

When either party to an appeal claims that a question has been fairly raised upon the record in the trial court, by which the jurisdiction of said court is vested in the supreme court, or that the case is a matter of status or a matter of right, he may, before the case is submitted to an appeal, file a motion to have said cause transferred to the supreme court, and if any judge of said court of appeals shall be of opinion that such motion is well founded, and shall file his written statement to that effect in the cause, the court shall at once transfer the records to the supreme court. The costs of appeal may also of their own motion, on becoming satisfied that the supreme court has jurisdiction of any cause pending before said court of appeals, order that the same be transferred to the supreme court, at any time before filing an opinion on the merits thereof. When the record is thus transferred to the supreme court for either of the reasons above stated, that court shall at once inspect the same, for the purpose of determining its own jurisdiction, and either retain or remand the cause according to its finding of such fact. If the cause is not transferred to the supreme court in either of the manners hereinabove provided, the decision of the court of appeals shall be conclusive as to its own jurisdiction in the particular case.

Sec. 3. The supreme court shall
